The VFH business is responsible to have all its temporary drivers successfully pass a background check, which includes driver and criminal history, from a company specializing in background checks and must conform to Ordinance Section 10-585 (b). In addition, the VFH business must ensure that all drivers have completed an approved Human Trafficking Awareness course. The link for this course is <https://iahti.training/Hillsborough>. It is also understood that all temporary drivers must comply with all requirements in Section 10-585 (d) thru (z) of the County Ordinance.
