Change of Address

A request for change of address may be submitted via mail by completing the form below.

Please remember a change of address will update each motor vehicle, vessel, mobile home and parking placard record associated with this driver's license number.

NOTE: This form should only be used for permanent address changes. Temporary address changes should be noted on the reverse side of your renewal notice.

A corrected registration will be mailed to you for each record indicated below. Additional comments may be made in the comment box located the end of the form.
